LEARN TO DRIVE SCHEME

iMap appreciate that learning to drive can be costly. As an employer it is important to us that we can support our staff to have the skills and independence to grow.

As a new or current employee, iMap's Learn to Drive Loan Scheme can help you manage the initial cost.

You can choose from one of the following options:

- i. iMap will pay upfront for 10-15 driving lessons with a driving instructor of your choice*
- ii. iMap will pay for an intensive driving course, theory and practical test (for those with driving experience)*

ALREADY A DRIVER?

iMap can offer you a loan of up to £500 towards a car deposit

LEARN TO DRIVE SCHEME

HOW IMap CAN SUPPORT YOU

AVAILABLE OPTIONS

There are two options available to choose from if you do not currently drive and would like support to get through your test.

Option One: iMap will pay upfront for 10-15 driving lessons with a driving instructor of your choice*

Option Two: iMap will pay for an intensive driving course, theory and practical test (for those with driving experience (unfortunately, this is not available for those who have very little experience driving)*)

*This scheme is an advanced loan from the organisation and repayment will be required over a period of 6 months, deducted from your wage. A signed agreement explaining cost and repayment will need to be signed prior to funds being released.

New Staff

If you are new to joining iMap you can access this scheme as soon as you have completed your six month probation period.

Existing iMap Employees

For current employees who have been with iMap for longer than two years, iMap will fund **30%** of the cost.

For those that have been with us for over five years, iMap will contribute **50%**
